### New! Kirk Enterprise's WM-2 Window Mount

Kirk Enterprises has just introduced an updated version of their popular window mount. The new WM-2 window mount is beautifully constructed of machined aluminum stock and features a black anodized finish, fold out feet for use on a flat surface and is assembled with stainless steel hardware. The WM-2 tips the scale at just under three pounds. Like Kirk's original window mount, the WM-2 can be used as a window mount or as a platform on any flat surface.

Shown with Kirk BH-3 ball head (not included!).

Shown with Kirk BH-3 ball head (not included!).

The Kirk WM-2 sells for \$239.95 and is available from the [NPN Gift Shoppe](#) or direct from [Kirk Enterprises](#).
